If you would like to book a place on this three day module/workshop please return the second page of this form to the office, transfer your deposit of £120.00 or tick the relevant box if you are part of the Associate Programme. We only use your contact details to send you relevant information regarding this course.

This clinic is open to anyone who would like to further their knowledge of Free Work, observations, and TTouch techniques and tips. It will also count as a three day module for anyone wishing to train and qualify as a TTouch Practitioner for Companion Animals and as part of the five day modules for those enrolled in the TTouch UK Associate Programme.

Please note deposits and course payments are **NON-REFUNDABLE** and **NON-TRANSFERABLE**.

If you need to cancel your place due to circumstances beyond your control, we will endeavor to fill your place provided we have people on the waiting list that can take your place. We are repeatedly asked to refund or transfer bookings but this is no longer possible as we make a financial commitment when we organise the clinics. It is unfair to everyone if we refund/transfer one booking but not another, and we ask for your understanding on this matter. If you are in any doubt as to whether you can attend the clinic, please do not book a place until you are confident that you can attend.

We no longer accept cheques. Please transfer the deposit to the account below.
